All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

“ **Gandoor wrote:**
Military dictatorship

They live in an feudal society where government imposes limitations over peasants defensive capabilities. Therefore, cute pink ninja raids peasants towns looking for cakes and delicious dishes. In order to overcome the raids for cake, peasants study martial baking arts and local government hires samurai delivery horsemen to send the peasant's cakes for their ninja customers. Because of that, martial baking becomes part of the country's culture and economy.

Government type:
Feudal Martial Bakery.
