Just because you feel it, doesn't mean it's there.

Imperial States of Duotona
When good beats evil, the sky's the limit.

Welcome to Duotona, the rushed nation concept that was made by someone with no understanding of politics! A mixture of many Asian, Polynesian and French cultures (no wonder the English haven't touched us yet), the skies are blue, the government is messier than Einstein's desk and the bees arrive in plenty.

We all dig the stoppies,
The haircuts and the graze.
And when we really scheme is lekker,
When we start on our first phase.

Whoa-oh-oh-oh-oh-oh-oh-oh-oh-oh Story of UNDERTALE I fell from the light Talk? Or should I fight? Monster genocide This my UNDERTALE

I fell through a cave on Mt. Ebott I faced an evil talking flower in a pot Explains the plot, wants me dead, wants me to rot Toriel saves me, takes me to her home And hooks me up with a brand-new monster phone Leaves me alone, but I escape and meet some bones

Should I be a pacifist? Or should I use my fists? I'm feeling evil, think I'll kill them all

I'm homicidal, and I've got a taste I want to wipe out the Monster race I've got no patience, got no resolve I will slaughter, screw the dialogue

I fell from the light Talk? Or should I fight? Monster genocide This my UNDERTALE

I'll slaughter Undyne, I'll waste who I choose With all this EXP there's no way that I'll lose Now watch me move, I won't stop, I'm feelin' rude Asgore is shaking, he hears my approach I'll slaughter Sans and squash his bro like a roach Chara's my coach, all these monsters I will poach

Screw being pacifist I think I'll use my fists I'm feeling evil, think I'll kill them all

I'm homicidal, and I've got a taste I want to wipe out the Monster race I've got no patience, got no resolve I will slaughter, screw the dialogue

Burnt pan, toy knife, use a stick to take your life Tough glove, ballet shoes, epic fight like front page news King Asgore wants to collect human souls Seven of them, is his ultimate goal Open the door, to humanity's realm Start a new war, humans overwhelm

I'm homicidal, and I've got a taste I want to wipe out the Monster race I've got no patience, got no resolve I will slaughter, screw the dialogue

The McDonalds Empire is based in an alternate universe where McDonalds took over the United States. It is a tier 8 and a type 7 on this scale <https://forum.nationstates.net/viewtopic.php?f=23&t=453617> and since people but anime girls on their flags I put him in my flag, check the nation "McDonalds empire og flag"
