normally people cannot judge nations when they do not have a proper flag but... THIS? THIS?

EVIL! Everything about this just spits out utter diabolicalness... 10/10... No, infact a rating cannot even portray how evil AN is...

In Character info

The Commonwealth of Atlantartctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantartctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantartctica is **against** weapons of mass destruction and advocate for pacifism. Atlantartctica is classified as a Tier 6, Type 4.5 nation (ns stats bad)

Serene and peaceful, there really isn't any evil to be found there; it'd be 1/10 if it weren't for the nocturnal imagery which imparts it with only a slightly dark ambiance.
