Known enough to be recognized by some of the community, but strictly F7. I hope the search for a good flag for your nation goes well, as well, as you seem to have surpassed the amount of flag variants even I went through. ☐

Yeah AN, I just went with my original, retextured it for Christmas effects, put some effort into the previous 3, etc.

AN: Now that's someone I recognize any time! Definitely one of the more active F7 participants that's for sure, very well known.

AAN: Never met em, they seem to be rather new as well... Not that well known

Well known. Although a bit off topic, I am curious as to why the flag went up into flames.

I assume that with nearly a half thousand posts, **New Lockelle** is very well known, but I do not believe that our paths have crossed yet.

From the Minister of Foreign Affairs of the Marineri Islands:  
The central emblem on the **Marineri Islands** flag represents a **penu**, a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

**It is not a dress.**

I'm having a civil war but I'm too lazy to make a special civil war flag some people told me the tiny bit of fire looked bad, so i put more fire to spite them, and then more fire, and then more..

Well known.

Hello there. I'm Simonia.

Our nation has twenty-one provinces, four regions, and four capitals.

And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.
