Whoa, hey! A religion where "Light vs Darkness" is played off
completely seriously?! *Now where have I seen that before?*
No seriously, Astrianism's pretty cool, from what I've read of it! Good
stuff, Zirk :)

On an aside, your signature in general is impressive. You've somehow
made something simple looking quite pleasing to see by just using a
couple of shades of reds, and a few stars. Well done

From the beautiful coasts of Îsle des Mewnilles to the idyllic northwestern villages and all the wonders you could ever want, the entirety of Moroséraiquis welcomes you to your new home away from home!

Looks like the whole of Simonia has some competition...
Just hope you don't have city-wide roller coasters, giant Ferris wheels, romantic pink castles (yes, Simonia has two of those, not one), talking animals, a winter province next to a desert province, 5

languages, and magic. Otherwise Simonia's tourism industry will be completely taken over by you.

Hello there. I'm **Simonia** of **MJT**.
Our nation has twenty-one provinces, four regions, and four capitals.
And before you ask, **Pink Castle City** is called that for its pink castle,
Pink Castle City's main building.

Hmm, let's see...

- **City-wide roller coasters** : Uhh, nah. ~~How do you even upkeep tha~~
- **giant Ferris wheels** : One can imagine Moroséraikus would have at least one
- **Romantic pink castles** : Romantic pink castles, maybe
- **Talking Animals** : Well, maybe the Morea-Harche of the city will rediscover their ability to shapeshift into horses one day.....
- **Winter province next to Desert province** : Nope, you've just got swamp, rainforest, fields and rugged highlands here
- **5 languages** : *Potentially*
- **Magic** : Oh, we have magic... Just not an incredible amount of it these days

I reckon y'all still have some legs to stand on... ~~Moroséraikus will be coming for them though~~ :P
