Been a member since 2007, should have 2000+ posts.(Actually, maybe more)

98% of all Internet users would cry if Facebook broke down. If you are part of that 2% who simply would sit back and laugh, copy and paste this into your sig.

The rain. ☐

It's very late and the cars have stopped driving on the road, there's a light drizzle outside.

Sounds wonderful.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
