PMT/Early FT - Decopunk. Zitragrad is a crowned republic in a planet somewhere else in the universe. The formerly wartorn nation keeps a facade of normalcy and order while enjoying the societal and cultural decadence that marks the new Roaring Twenties. The paranoid authoritarian government tries its best to uphold order in the face of uncertainty, while its people want nothing more than a breathing space. Why is it called tourist season if we can't shoot at them?
I'm thinking of buying a church and changing it around: maybe selling crack and having a few whores in the pew.

Never give up on an idea simply because it is bad and doesn't work.
