[Constitution of Wizlandia](#)
[Wizlandia Political Parties](#)

□□□□□□□□

“

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
