A song that goes like:

*So if I can't be close to you,
I'd settle for the ghost of you.
I miss you more than life.
And if you can't be next to me,
Your memory is ecstasy.
I miss you more than life,
I miss you more than life.*

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
