Not a crime, because our leader has a dislike for that and therefore he wouldn't have that.

Playing extremely loud country music in your damp, dark basement in the dead of night, annoying every neighbor on the street as you dance randomly wearing nothing but boxers and a revealing tank-top, laughing like a madman as you hit the griddy and do-si-do manically?

McDonald's never exists in the [World of Stratonesia](#). The closest equivalent is Cibus.

If you assault a Cibus employee for a broken ice cream machine, you either pay compensation for injuries or you go to jail. Or both.
