That songs name may be reality if Perto Rico actually ends up becoming a state. They voted for statehood.

Johann Johannsson-Fordlandia

Drastic change in music.

[Johann Johannsson-Rainwater](#)

This song needs to be longer. Decided it was time to look more into Johann Johannsson (Though, I heard this whole album briefly before), which pretty much has a lyricless story.

[Johann Johannsson-Theme.](#)

Number one in the story. Then you got the songs listed like this:

City Building  
Entering The City  
The Flat  
Rainwater  
Siren Song  
Pods  
The Gift  
Dying City  
City Building (Alternate version)  
Escape  
Inside The Pod  
End Theme.

I just get the feeling that the world ended or something, based on

the names.

Also, album has a great name, "And In The Endless Pause There Came The Sound Of Bees"
