I'll just continue the chain myself...

Mass counterfeit or destruction of currency: fines up to 1,000,000 USD.

If you sell the fake currency or attempt to significantly devalue the chore: You will go before the Realm Courts and if found guilty you will be expelled from Marainta. Permanently.

Sabotage of industrial equipment.

You'd be shut down and possibly fined for creating pharmaceutical/psychoactive substances without a license, however if the drug isn't specifically known or illegal then you'd escape jail.
