Liberal democracy or social democracy.

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

Equality! Liberty! Democracy!
Ravniče! Svobode! Demokratja!
Равниче! Свободе! Демократја!

I generally use NSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.

All I do is make flags & click buttons on issues & WA matters, but I promise I'll expand into more areas when I have time.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
