Partially extremely true. My state did collaborate with nazis during early stages of WW2 and even to this point has the last active SS unit in the world (although they apologize for Holocaust and most of other war crimes). For An: Russian Vory v Zakone star, lol.

- Spartan Empire -

The Spartan Empire was/is a nation mainly in the Balkans, owning modern-day Greece, Bulgaria, Macedonia, Montenegro, Albania, Kosovo, some of Serbia (including Belgrade), some of Romania (including Bucharest), Turkey, and (depending on the timeline), Cyprus, Syria, Lebanon, Mandatory Palestine, Jordan, the Caucasus, and [more](#) (to be updated). This is another fascist nation of mine (I got an unhealthy amount of them despite not believing in the ideology). There is what I'd call a mirror nation of this one ([-Spartan Empire-](#)). So yeah. I don't know what else to say for the time being. :)

From a normal angle, I see a one-world government that's slightly authoritarian
