Terrain -- Pg.lost

Probably one of their best (and one of the best post-rock songs in 2012), IMO.

Probably one of their best (and one of the best post-rock songs in 2012), IMO.

Decided to check these guys out at the mention of post-rock. Liking it so far. Some post-rock I've heard seems kinda meh and sounds like several other post-rock bands, but these guys seem to have something different going for them with originality in the Post-Rock realm, like with Sleepmakeswaves. Thanks for posting this.
