Feudal monarchy, maybe theocratic. Possibly constitutional. Also, it's in Europe, has been liberated from a power that isn't in Northern or Eastern Europe, and is not PMT, FT, or FFT.

Democratic, Federal Republic. Possibly Slavic, maybe liberated by the US. Southern Slavic. I'm getting Federal Republic of Serbia but liberated by the US against some foreign anti-West power vibes.

Highly conservative, constitutional and "law and order" type of a republic; Roman Republic-esque before Caesar.

Reformed Federal Republic of America, seemingly European values, slightly libertarian, conservative.
