O Mirana, conceived without malice, pray for us who have recourse to thee.

The State of Eassex / Ėassāchise Stāt

"When people say that the values of Islam are compassion, tolerance, and freedom, I look at reality, at real cultures and governments, and I see that it simply isn't so. People in the West swallow this sort of thing because they have learned not to examine the religions or cultures of minorities too critically, for fear of being called racist. It fascinates them that I am not afraid to do so."
