Not really many posts in total, but the nation hasn't been around long. Also very active recently. I would say definitely known in F7.

It seems to me to be famous outside of F7, but I couldn't judge, I only usually attend the F7.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

It's a distinctive flag so I've definitely noticed it scrolling by on occasion. I can't say that I see it all too frequently, however - reasonably well-known.

I honestly see them everywhere recently while looking around F7, so I'm inclined to say that they are quite well-known.
