thankfully for once, my neighbors are actually quiet enough for me to hear the few cars and trains going by, which just btw, i'd much rather listen to then anything on television, radio, or their voices live.

Bad Habit, The Offspring

stupid god damn dumb shit mother fuckeeeeeeeeeeeeerrrrr

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
