This is one of my genuine parties: Fascist Gay Space Commies

A joke party whose platform includes creating space lasers, passports for all animals and creation of the title Grand Inquisitor and President Prime Minister General Admiral for the deputy leader and leader respectively. Led by Screaming Lord Crotch and Pol Pottiemouth. In 2140, after the eco-gate scandal they won 121 seats in the Assembly and 20 delegates. Forced through Petcare legislation, which remains today. Recently, through an unfortunate law, that was long forgotten, on a diplomatic trip by the Constitutional Council, they were placed in charge of the nation. This lead to the renaming of the United Federation to Decadent-Capitalist Haters, and the installation of President for life, Admiral Field Marshal President Prime Minister God Emperor NUCLEAR GANDHI.
