"Simple Machines" - Dismantled

Are these "human rights" in the room with us right now?

☐ ☐ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties ☐ ☐

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

Save Me

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
