Your roleplays are lousy.

Nobody ever truly reads your factbooks.

Issues have become so boring you don't read or answer them anymore.

The stats of your nation are some bullshit based on an ill-conceived system.

F7 is bland and humourless.

Your cards are plain and worthless.

The people in NSG are mostly poor debaters, incapable of coherent argument, prone to any kind of fallacy and/or deeply biased, dishonest ideologues. None of them ever changes their opinion.

All the other people here are generally dumb weirdos or plain boring.

The mods are a bunch of biased idiots with the haughtiness and presumptuousness of the slightly empowered weakling.

WHAT THE FUCK ARE YOU DOING HERE?
