Allow me to be the third one.

Wasco, how can a thread be archived? I think this is too precious to lose and Wayback blocked me from NS screenshots.

I'll be the fourth and say CONSULT Valentine Z if they can help you archive some of the threads here... they have more time and experience on it. If you can't, then copy and pasting some of the threads and their posters to a notepad or snipping them might work...

Libby is currently hanging over a pit of snakes, slowly being lowered. It wasn't me who did it, I'm just watching it be streamed.

Washcol, will you try and come save her?

I did not know that Scandi. That's a cool fun fact! I wonder how it went for additional 4 pages without the mods locking the thread sooner for hitting 500 pages.
