Maoist Ninja Cult

Yama-no-Kami (□□□) is a small, yet prosperous, vassal to a powerful *daimyo* in a land based on the *Sengoku* era and Japanese myth. Its ambitious leader, Lord Gyoubu Amiyaga, rules with a firm, but even hand, waiting for the opportune moment to free himself from the chains of servitude and bring Yama-no-Kami the independence and honor it deserves.

A theo-plutocratic city state where wealth is all but literally worshipped, where greed and miserliness are considered virtues, and where everything else is considered immoral and decadent.
