I loved the part where Jesse Pinkman from the hit series Breaking Bad walked in during the film and said "Yeah Michael Morbadger I need you to sell". It was truly one of the moments in cinema.

I remember this one user who periodically shows ups and applies both a header and signature to their actual post itself.

Like I don't mean the signature that's separate, they sign their actual posts.

Not sure if this is the right thread, but I just noticed the first region that Drew Durmil joined was none other than the Confederacy of Layem...you know what has happened to it.

Yeah I'm making fun of those occasional threads on 'how to improve NSGP' you see where the OPs suggestions basically amount to 'remove all the ways that players who have no interest in NSGP can use to not partake in it'.

Luckily almost every reply to those types of threads are variations of 'No' and 'This idea sucks'.
