What if the British were half-hearted in providing self-government to their colonies? Here we take reference to what could have been the separate states of Singapore and Malaya and how economic progress is used as a smokescreen for a lack of true political freedom for the lower classes, a continued economic inequality and a mix of racial and religious tensions amidst a backdrop of rising nationalism.

After a long day of work, Kanye West goes to his Kanye Nest to take his Kanye Rest. He wakes up feeling his Kanye Best. Then he'll get Kanye Dressed into his Kanye Vest to go on a Kanye Quest. He goes to church and becomes Kanye Blessed, then to a hotel room to be a Kanye Guest. Then to school to take his Kanye Test. He forgot to brush his teeth. Did he run out of Kanye Crest? His neighbor stole it, what a Kanye Pest.
