Oh I like Sabaton! I'm actually listing to my favorite song of theirs, White Death. Turns out that it was based on an actual guy.

The National-Murder Me Rachael

Scanning over this album, I think I like it more than their recent stuff, beyond my favorite album of theirs...I dunno, because I'm not much of a lyrical guy, I pay more attention to singing quality and musical quality, and most of their albums don't really do a lot for me...But I like the sounds on this one. They seem to have good lyrics, though.

My dad was just talking about listening to the new Mayhem album.

Sparklehorse-It's A Wonderful Life

I'm going to assume this song titles sarcastic just because the singer killed himself ☐
