I dont know if any of you listen to post rock or math rock but iv been listening to this one band and i think they are fantastic. they are a math rock band from japan so their music is mostly instrumental but its really relaxing stuff.

They are called Toe (pronounced "Toh-A")

Toe - New Sentimentality

<http://www.youtube.com/watch?v=w6I372o93U0>

I love post-rock. My favorite band is Sigur Ros, which is post-rock. Also, The Evpatoria Report, God is an Astronaut, Explosions in the Sky, Red Sparowes, Mono, The Ascent of Everest, Godspeed You! Black Emperor, and so on.

As far as math rock goes, I know Battles, Shora, and Giraffes? Giraffes! (correct me if I'm wrong)

Jonsi-Tornado (Fuck Buttons Remix).

I listen to Sigur Ros, they are great. Mono, Explosions in the Sky, and a little Godspeed You! as well.

Check out If These Trees Could Talk if you havent heard them and of course Toe who iv been obsessed with for nearly a year now.

Just checked out If These Trees Could Talk earlier when someone posted it. I'll check out Toe too, and Daughters since someone suggested that.

This one is so saddening. It's like all hope is lost, or that humanity is just a speck in the infinite void. Love it though.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."
