Welcome to Xiusou! A fantastical nation where modern technology and ideals meet medieval and classical ones, mixed in with a huge dose of fantasy, fiction and myth. Our Premier is immortal and eternally young, our people are among the most skilled and interesting in the world, and our culture is older than the start of recorded human history. We're a land of beautiful buildings, secret places, lost ruins and mystical semi-real creatures. Feel free to pop in and say hi!
