Dumping ground for my micro-stories set in the (often far) future. The many canons are bound only by Clash music and an excessive dose of caffeine.

Mexican-American right-libertarian

I used to be somewhat of a libertarian as well - but I'm beginning to realize that even the worst abuses under say, the absolutism of the Spanish crown, were benefited from by its victims. Unlike American capitalism which does nothing but destroy the cultures, wealth, and peoples of this world.
