If the notable person in question isn't a member of the military/politician (although here those two may as well be the same thing), then you might face a fine of up to 10,000CR or a sentence of up to 3 years on libel charges, though this isn't done very often. If it is a military member or a politician, then you will probably disappear.

Failed suicide bombing that could have resulted in the deaths of at least 25 people.
