The commander responsible proposed a white peace,

Colossal modern island nation in the North Atlantic. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

Flag created by the legendary Almonaster Nuevo.

NS stats are canon except for population; factbook started. Some things are my RL views, some things are not. If curious, feel free to telegram.
