In a world where the Spartacists won in 1919 and Trotsky achieved his world  
revolution, Russia's minority dumping ground in the Far East is undergoing an  
internal revolution. Led by a sly artist-premier and his technocratic posse,  
surrounded by a salacious secretive Civil Servants' society, factionalist scheming,  
and (literal) backstabbing.

[Premier](#) | [Home Secretary](#) | [Overview](#) | [Government](#) |
