[Target Washington ! A Japanese Imperial Song.](#)

At this point, you might notice that I do have a LOT of wartime songs being posted. To make it absolutely clear, I am in no way condoning any of it. It's more of that I have done my fair share of history and humanities courses in my university, and thus found a couple of songs that... minus the lyrics, can be a really nice listen. This is one of those.

And before that - Czech Polka - Břeclavská kasárna.

Nothing cheers you up like good Polka! ♥
