4/10. Very neutral vibes.

In Character info

The Commonwealth of Atlantartctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantartctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantartctica is **against** weapons of mass destruction and advocate for pacifism. Atlantartctica is classified as a Tier 6, Type 4.5 nation (ns stats bad).

10/10 because every person without an actual flag is evil

Unitary-State, Multi-party parliamentary dynasty in which the king is ultimately supreme in government. Founded in the Korean peninsula after the Federalist party took control of the Jegug Dynasty and created the Dynastic Republic of Geum.

The Geumese follow a policy of Autarkic Isolationism and do not engage in any type of diplomacy with any other nation except for trade.
