Now that you've added extra preferences, you're a bit more well
known. Your political views also mostly line up with mine

except your bingus hating tendencies, I will eviscerate you if you
insult our lord and savior Bingus and his son Binglet

AN: Sort of known, just getting to posting a bit more. Maybe make
something specific to have your nation stand out, that helps some.

Quite well known. Common poster, you see em often. Look through pretty much any semi-recent thread and they're there.

It is my first time interacting with them even if I've seen the flag skimming by F7 and I don't know how well known they are as I see a lot of new faces, or flags, that is; from what can be read of their factbooks, I'll personally remember them for playing as a North European country that has made some kind of syncretic Catholicism.
