It's hard to say, but if it comes down to it, it would be either the Reform Party or the Reformist Socialist Party that would be the one to get our vote.

AN: Democratic Party.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

“

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
