Evil in the holloween sence? 4/10, its got something going on, not shure if its scary, but its definitely something. Kind of street light like.  
In a scary nation sence, like the USSR or the Nazis, 0/10, its a circle, it conveys to me nothing. I'd say its well disigned in that department.

Ye. My flag isn't supposed to be scary, cause it represents the sun lighting up the dark world

8 of 10.

Please please please please read my Factbook. It's short and to the point. You will get the premise of this nation perfectly by reading it. The Caliphate is not in Iraq. We are not the ISIS. It's located as a union of Hejaz, Somaliland, Somalia, Yemen and North Sudan.
