I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.

Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Foetus - Blessed Evening

Yes, all musical references are intentional.

The Rhythm Nation was founded in 1369 and is still around as late as 5000 AD, so I can RP in any tech setting you want. But magic does exist and can be used, and this is non-negotiable.
