That games fun. But I don't have enough music on my computer yet of this stuff in Spotify. Would be pretty awesome to play this Spotify stuff I have on there. I'd probably never quit.

Pele-Hagoo

11 minute song and I hit my goal of albums before 12 PM...It is 12:06 right now. Only 17 minutes over, not bad really for having distractions.

So I have 2 hip-hop people left to go through, 1 psychedelic band, and 1 ambient artist...The shortest one has 7 hours worth of songs. Not sure what I want to listen to right now...Don't feel like listening to any of those.
