Not a crime, our people are some of the most heavily armed in the world. In fact, not having a weapon on you (specifically a gun) is a crime....

Being so sexy and incredibly attractive that you cause people to fight in duels, the crime being sexiness so complete that it inspires violence.....mmm.....

Revocation of your medical license, if a licensed doctor, and two weeks of community service.

If unlicensed, two months of community service and a mandatory charitable donation of \$500 to a dentists organization.

Depends on the Province. In some of them, it's not a crime, in others it may go as high as a fine of up to \$1,500,000, up to 25 years in jail, or even a public hanging.
