Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.

My drawing is so ass that all you're gonna get for a flag is a crude depiction of what Her Majesty looks like for now. And yes, I did in fact use Roblox to originate the concept of Her Majesty, don't ask why. Also don't ask why she looks like a damn rockstar.
