0/10

A theo-plutocratic city state where wealth is all but literally worshipped, where greed and miserliness are considered virtues, and where everything else is considered immoral and decadent.

Alt of [Aision](#).

10/10 would appoint underage populist leader again

IC name: Greater Aecinov Republic | Maxovikt Aečinov Valtarzurthr  
IF YOU THINK WE'RE FOUR DIMENSIONAL, YOU ARE MISTAKEN. THIS IS JUST AN OLD NAME, A PLACEHOLDER NAME. I WILL /STILLME YA IF YOU MAKE CRAPPY ANSWERS SO DEAL WITH IT VADIM  
TETRADIMENSIONAL OVERWORLD isn't my IC name. This nation is pure unadulterated nostalgia, deal with it. Did you know that I wasted 400 million plus seconds of my life and you wasted more? Well, if I could go back to any age, I'd go back to the time when I was 11. Great times indeed. I'm an anti-communist, but I do love me some Soviet music.  
Late childhood is the best part of childhood -- change my mind. People below 10 are in blissful ignorance so I'd rather avoid that. Blissful ignorance is not true happiness

9/10

✚ Saint Empire de la Chrétienté ✚

The heathens finally defeated, Christendom would eventually solidify its control over the whole of the Levant. Frankish territories in Eastern Europe and the Crusader States of the Holy Land were merged into a reborn Roman Empire that stretched from Epirus to Cyrene. The ancient empire continues to exist in the modern age as a center of Christian zealotry as well as pilgrimage. Led by the mighty Roman Emperor, and ever adherent to the Catholic Church, the Empire resolutely preserves its traditions and faith within an age of apostasy.

Definitely deserving of an 11/10 for this one. You're basically a flower-power nazi.

(Unironically speaking though: 3/10)
