a semi-satirical nation meant to celebrate the cringy, colourful and unapologetic parts of the internet from around 2005 - 2015.

This is a nice tribute. Not to mention, I like your nation's motto as well. The only thing we need to cringe at is cringing itself.

TN reportedly struggles with basic things like walking due to being so overweight- Scientists learned it's actual weight is around 802lb

Yeah with a weight that high, a hundred different problems with basic mobility can be expected. Jus tthought I'd put it out there.
