DMX - Look Thru My Eyes.

...and yet another evening where a hell of a lot of DMX is necessary...

This dumbass right here was so distracted with reading that he forgot to post a song in his last post.

Igorrr-Damaged Wing

This is music that is unique, but also doesn't do a lot for me half the time.

Now this is one I'd actually go out of my way to listen to.

Igorrr-Ganapati Ft. Indian Summer

This artist is a pretty good example if a guy trying too hard to be 20+ different genres at once, and instead turning into a big mess of genres. "Try hard" avant-garde, if you want to call it that.

Hell, one of my favorite albums jumps around quite a bit, but in less of an annoying way I suppose.

Hmm...that song takes some getting used to. Lyrically it could pass as the usual trash in commercial hip-hop, even though there's a message in it. Definitely need to read through the lyrics a few more times; thank God for Rap Genius.
