Arpasia has been called out.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Arpasia has been called out.

Tutto è possibile, Entro i nostri limiti

In Italian it means
Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.

The rest of you look to have used this thread to dogpile Arpasia. It's staying locked as a result, and you do not get to repost it. If you cannot play nice, you don't get to play.
