What kind of music do you typically listen to, Hwanin? If you have specifics, that is. From just looking at the names I'm thinking a lot of Korean stuff.

Faith No More-The Real Thing

Okay, even with the whole "nasally" thing, Mike Patton can definitely sing back then. I think I know the first 3 or 4 songs on this album the best, because I don't quite recognize Zombie Eaters that much or this one.
