A Fare to Rise the Flag of Satan, to disseminate the races,  
and to build their Temple (of the) Damned on once holy pleasure  
ground

Multifarious Winged Black Creatures slew the angels (up so) high.  
To build the Hall of Battle and to live in Eternal Strife  
Flittermice come forth from the land beyond the forest  
who Burned the face of god with the Eye of Our Master Devastation,  
Blasphemy, Desecration,  
Unholy, He who burned the face of god, with the eye of our Master.

Darkthrone - As Flittermice As Satans Spys

Because Satan = Sauron = Odin's wrath, chasing Christianity from our  
pagan lands.
