Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.  
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Going through some Bjork albums more thoroughly. First the ones from the 90's. This particular song I knew already, and it is probably one of my favorite Bjork songs.
