Leonard Cohen - *Dress Rehearsal Rag*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Foo Fighters - *Everlong*

Despite me only hearing this song recently, that opening riff feels like seeing an old friend after a long time.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

[Stereophonics - Not Up to Me, Not up to You](#)

*Salt grips the road awaits his lift again
Street orange glow shades the odds against
One more sip a shoe a miss a shaving nick.
One extra kiss, whose to know whatever !*

Not up to me, Not up to you

*Swings don't swing the parks been dead for years
How do you know the last swing weren't your last for good
Hard book on freaks, fresh summer peach, creased magazine
Sugar chocolate treat whose to know whatever !*

Not up to me, not up to you

*The streets so long where she lost her pocket purse
Keep the last picture of the man she committed first
Cracked windscreen rain french murder play, junk take away
Tired street parades who's to know whatever !*

Not up to me, not up to you. Not up to anything we do.
